1. Foreword

Kick Start to a New Career 2018 – A Youth Career Forum

In the minds of many Chinese parents, the phrase “ideal career” has always been fixated on medicine, law, engineering, or accounting. Although some individuals are strongly compelled to seek success in these fields, others have different visions regarding the definition of an ideal career. Careers do not follow a one-size-fits-all approach. There are a variety of options, both traditional and conventional, which are yet to be explored.

Kick Start to a New Career Seminar is a joint project of the Pui Ching School Alumni Association of Ontario, Vision Youth Leadership Program, and Mr. Godwin Chan, Councillor of Richmond Hill. As many youth are uncertain about their future career choices, we aim to deliver awareness on a selection of non-traditional, yet highly regarded, careers of today. Our goal, by the end of this session, is to have inspired youth to seek a more defined career path for the years to come.

We hope this event will be well received and succeeded by a number of similar forums. Our topics today include: Culinary Professor, Air Canada Mechanics, Hearing Disorder Specialist, Issue Co-Ordinator of Ontario Investment Office, Orthotist, Bank Investment Advisor, Litigation Lawyer, Recreation Therapist, Captain from the Canadian Army Reserve / Teacher and Psychiatrist/Research Professor.

We are very honoured to have The Honourable Mary Ng, Minister of Small Business and Export Promotion as our Keynote Speaker this year. Mary will share with us her success story and political life.

“行行出狀元” 青少年職業諮詢講座

行行出狀元在一般中國人的父母心目中最好是醫師，律師，工程師，會計師等等。但現今的社會有很多甚有發展潛能的職業，是不為人熟悉或不知如何入行。我們今次所舉辦的講座是想介紹一些有興趣又有潛質的行業給於大家認識。

現在的青少年，可能對於入大學所選擇的學系以及將來的專業毫無頭緒。我們衷心希望能藉著這個講座給予他們及他們的父母有一點兒幫助及頭緒。

安省培正同學會，「展望」青年領袖培訓計劃 Vision Youth 及烈治文山市議員陳志輝一起齊心在 2008 年首次舉辦這個“行行出狀元-青少年職業諮詢講座”。我們邀請多位在職的講者分享他們各行的經歷，工作經驗及入行途徑好讓青少年深入了解這些非一般家長及青少年所熟悉的行業。今次講述的職業有烹飪教授，飛機修理技師，聽力障礙專家，安省經濟發展廳顧問，矯形器製作師，銀行投資顧問，訴訟律師，康樂治療師，後備陸軍上尉及精神科醫生/研究教授。

Mr. Joe Song

Title: Air Canada Mechanics 飛機修理技師

Joe came to Canada with his family in the summer of 1995. He was 7 years old. It's very rare to find a child at this age that already knows what he/she wants to be when they grow up. Thanks to the 15 hour plane ride from Taipei to Toronto, Joe immediately knew what he wanted to do. At the age of 12, Joe was enrolled in The Royal Canadian Air Cadets. He quickly climbed up the ladder and achieved the rank of Warrant Officer 2nd Class, and has gone through intensive training in aviation. Although in the end he wasn't able to obtain his pilot's license due to extenuating circumstances, he gained valuable experience in familiarization flying, air traffic control, and the space training program. In 2012, Joe graduated from Centennial College and obtained a diploma in Aircraft Technician - Aircraft Maintenance with accreditation from Transport Canada. A year later, he got his first job at the airport working as a customer service agent. Even though it wasn't aviation related, but being able to look at airplanes come and go everyday was all that he needed. In the summer of 2014, Joe finally got his wish and was hired by Air Canada as a Station Attendant. Once again, it wasn't really what he wanted as a career but he got even closer to the airplanes, at least. After a year and a half, Joe was very excited when he heard that he has been transferred to maintenance department. His aviation career has finally begun. Today, Joe is a licensed aircraft maintenance engineer and he is currently being endorsed on the Boeing 787. So, what about his dream to become a pilot? Just like Arnold Schwarzenegger's favorite saying goes: "I'll be back!".
